

June News

La classe de Mme Fry

Dear parents,
Our school year has almost come to a close. We are currently taking part in many assessments and are working really hard here in 1A to finish things up!
Here is a look at our final days in first grade.

Library and Classroom Books

Please note that all library books must be returned to school by the end of this week. Classroom books may be kept a little while longer, but must be returned by Friday, June 14th. These books are counted, sorted, repaired and provided with replacement cards by the classroom teacher, a process which can take a long time. It can be a challenging process if we get books in late, or the following school year as they return to our central levelled reading library. Over the next few weeks, please be sure to check carefully around the house for any books that belong to the school. We kindly ask that lost or damaged books be replaced.

Summer Reading

Although we are almost done our classroom reading program for the year, that does not mean that your child should stop their daily reading. In fact, it is highly recommended that children read regularly throughout the summer months to avoid seeing regression in their reading skills come September. If you don't have French and English books at home for your child, please consider visiting the St. Albert Public Library. As always, the library will be offering a summer reading program to encourage kids to read over the summer vacation.

Representatives from the library will be visiting the school on Tuesday, June 4th, to explain the program to all students from grades 1-6.

Arbor Day

On Tuesday, June 11th, we will be headed to Willoughby Park to participate in a variety of Arbor Day activities put on by the city of St. Albert. The permission slip for this field trip was sent home last week. If you require another copy, please visit our classroom website. Please note that in the event that it is rescheduled due to the weather, our rainout date is Thursday, June 13th.

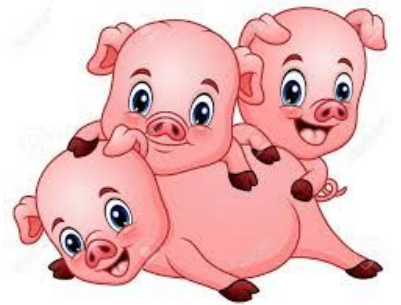

Year End Swim

To celebrate the end of the year, our grade one students will be going swimming at Fountain Park Pool on Thursday, June 27th. The permission slip for this field trip will be going home in the coming weeks.

You're Invited!

You are cordially invited to attend our class play 'Les trois petits cochons'. Mark your calendars for Tuesday, June 25th because at 3pm sharp our class will be presenting a short play, along with a few songs that we have learned. It is sure to be a great show that you won't want to miss.

If your child will be absent on this day, please let me know as soon as possible.

Year End Mass

Our year end mass will be held on Wednesday, June 26th at Holy Family Parish. The grade ones will be reading at and participating in the mass and all parents and siblings are welcome to attend. Please join us at 2:00pm to help us celebrate the end of the school year.

Rag and Bag

On Wednesday, June 26th we will be taking some time to clean our classroom. Each student is asked to bring a plastic bag and a rag to clean their desk, as well as other things in the classroom.

Year End Picnic

Also on Wednesday, June 26th, we will be having a special picnic lunch to celebrate the end of the year. More information about our picnic is coming soon!

I would like to thank each and every one of you for being a part of our class. It has been a whirlwind year and seems to have gone by so quickly. I have enjoyed getting to know you and your children and have greatly appreciated all that you have done to help our classroom run smoothly.

I look forward to watching your children grow as they continue their EMP journey.... And if the road takes them and you elsewhere, know that they always have a place in my heart!

Madame Fry
