La Classe de Mme Fry

## Report Cards

As many of you know, report cards will be going out this month. The students have been working very hard this term and will be continuing to get evaluated throughout the next few weeks. Please make your best effort to practice counting by 2, 5 and 10 in French at home, this will greatly help your child to be prepared. It is also of benefit to keep working on sight words and reading. Most importantly, ensure that your child has a full tummy and is well rested. School is hard work!

## Parent-Teacher Conferences

Please book these online or call in to the office. I look forward to meeting with you to discuss your child's progress! See this month's issue of the Poburan Post for more information.

### Important Dates

March 3rd	March 18th	March 18th
Science fair from 6-9pm. Come and support our students!	Report Cards Distributed and Hot lunch	PD Day- NO school

March 11 <sup>th</sup> PD Day NO school		March 24 <sup>th</sup> –Apr 3 <sup>rd</sup> Spring Break

### In Search Of

- Please send in any food flyers that you may have around the house as soon as possible, the more the better! We require these for a fun food oriented project in French.
- We are also still asking that you send in boxes and **plastic milk jug lids** for our Building Things unit.

## Math

We are currently working on our unit on numbers to 100. This includes counting in groups of 2, 5 and 10 with left overs. Students are also learning to count up from a given number. We will be beginning a new unit on measurement in the next few

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

## Social Studies

We are currently learning about the difference between living in a city and in a rural community and we have explored rural Alberta as well. You can help support your child by talking about the differences between rural and urban locals and by talking to them about different places that you have visited in Alberta. If you are feeling adventurous, break out a map of Alberta and try to map

## English

Students are being asked to continue practicing their sight words and reading nightly at home. This helps them greatly when it comes to reading and writing independently. We continue to do a variety of shared reading, read to self, work on writing and word work activities in the classroom as part of our English program. Students are delighting in the idea that they are writers and authors and are beginning to see themselves as such.

## Bring a fruit!

Wednesday, March 9<sup>th</sup>, please send your child to school with a fruit of their choice, the more unique, the better! We are going to be making fruit salad! If you are available to help with this, please let me know as we will be requiring extra hands in the classroom. YUM!

**Keep up the great work Grade One!**
