June 2016

Dear 1A parents,

Our school year has almost come to a close. We are currently taking part in many assessments and are working really hard here in 1A to finish things up!

I have greatly enjoyed getting to know all of you and your children this year and look forward to a fun filled June!

Please read on to see what's up in 1A.

Mme Fry

## Library and Classroom Books

**Please note:** all classroom and library books **must** be returned to the school by Friday June 10<sup>th</sup>. This gives us the opportunity to take inventory of them before our year-end. We would kindly ask that any lost or damaged books be replaced. Thank-you for your cooperation!

## Rag and Bag

On Wednesday, June 24<sup>th</sup> students are asked to bring a rag and a plastic grocery bag as we will be working together to clean our classroom

## Summer Reading!

With summer well on its way, it's a good time to begin planning how you will keep the momentum going! Your children have worked so hard this year, becoming readers and writers and summer time practice ensures that they will hold on to those gains.

Representatives from St. Albert Public Library will soon be in our school to teach the students all about the Summer Library Program. For those of you who are unfamiliar, it is a program that children can participate in that can be done in both French and English. Generally, the students get to read their way through a variety of genres and in doing so complete different legs of a quest.

At the very end, they win a prize for all of their hard work!

The program is open to students in grades 1-6 and there is generally a program designed for younger children as well.

Happy reading!

## We Need Your Help!

With the end of the year fast approaching, there are many classroom tasks to be done. If you are able to come into the classroom to help with year-end take down and/or organisation at any time, please let me know. Drop ins are welcome !

## Trois Petits Cochons

The children are hard at work practicing and preparing for their year end performance of Trois Petits Cochons. This will take place in our classroom at **2 :40pm on June 22nd**. All are welcome to come and watch the performance to see what the children have learned this year.

After the presentation, we will be moving outside to visit and play in the park. The students have been working their curly tails off, lets get together and celebrate them and their hard work ! I hope to see you there

## Last Day of School

Our fun filled last day of school will begin with a trip to the swimming pool. We will require a number of volunteers to join the students in the pool in order to adhere to the pool's safety standards. Once we return, we will have some time in the classroom followed by a potluck snack. Please email me and let me know what you would like to send with your child to contribute. In the afternoon students will help to clean and organise the classroom, and then we will enjoy board games and a variety of whole group games before the end of the day.

**I would like to thank you all so much for your participation this year. Most of all I would like to thank you for allowing me the honor of teaching all of your children! Have a blessed summer.**
